

6 October 2017

Hallenstein Glasson Holdings – Glassons Executive Appointments.

Following Di Humphries resignation as Glassons CEO a review was undertaken of the Glassons leadership structure.

As a result, rather than having one CEO across both New Zealand and Australia, for the next stage of our journey, we will create the roles of CEO New Zealand and CEO Australia, reporting directly to the Group CEO.

The company advises the appointment of April Pokaia as CEO of Glassons New Zealand, effective 1st December 2017. Prior to leaving Glassons in 2016, April had 13 years' experience with the brand. The company also advises that James Glasson, GM of Glassons Australia, has been promoted to CEO Glassons Australia, effective immediately.

Mark Goddard
